

# AIR CON SERVICING AVAILABLE HERE

Before

After

Manufacturers recommend your vehicle's  
air conditioning is serviced every 2 years  
to keep it working at its best.

**RECHARGE – REPAIR – REFRESH**

SUPPLIED BY

**GSF CAR PARTS**

# WHEN WAS YOUR AIR CON LAST CHECKED?

An air conditioning system working at its best will:

- Keep you cool on a hot day
- Demist your windows faster on a cold day
- Improve the air quality inside your vehicle
- Filter airborne particles such as dust and pollen
